

FEATURES & OPTIONS GUIDE

750S

McLaren

BENCHMARK. BEATEN.

Setting and beating benchmarks. It's what drives McLaren. Every component. Every system. How can its efficiency be improved? Where can it be made lighter? Stronger? More responsive?

It's an ethos ingrained from the very first days of McLaren racing. And a belief that still drives every McLaren designer, engineer and technician today.

Here the aim was clear. And ambitious. Take the prodigious 720S, and push beyond. Evolve. Refine. Improve. The result is far greater than the sum of its parts. More power. More control. More engagement. More exhilaration.

A new supercar benchmark... the McLaren 750S.

STANDARD FEATURES

THE TECHNOLOGY

A recalibrated McLaren V8 boosts power. Forged, ultra-slim-spoke wheels shave weight. The all-new Sports Exhaust creates a unique, soul-stirring voice. A shorter final drive gearbox ratio unlocks 10% faster in-gear accelerations. And evolved dynamics up the performance while retaining true everyday usability. No other supercar in its class delivers straight-line speed like this. And nothing else engages its driver more deeply.

POWERTRAIN

- M840T 4.0L (3,994cc) Twin-Turbocharged V8 Engine
750 PS / 800 Nm
- Central Exit Stainless Steel Sports Exhaust System
- 7-Speed + Reverse Seamless Shift Gearbox (SSG) with Short Final Drive

SUSPENSION

- ProActive Chassis Control (PCC) III
- Vehicle Lift
- Lightweight Suspension Wishbones, Uprights and Reduced Ride Height

WHEELS, TYRES & BRAKES

- Turbine Forged Alloy Wheel - 10 Spoke Ultra-Lightweight
- Carbon Ceramic Brakes with 6-Piston Aluminium Calipers Front and 4-Piston Aluminium Calipers Rear
- Wheel Finish – Silver
- Pirelli P ZERO™ Tyres
- Brake Calipers: Anodised Black with White Printed McLaren Logo

DRIVER ASSISTANCE TECHNOLOGY

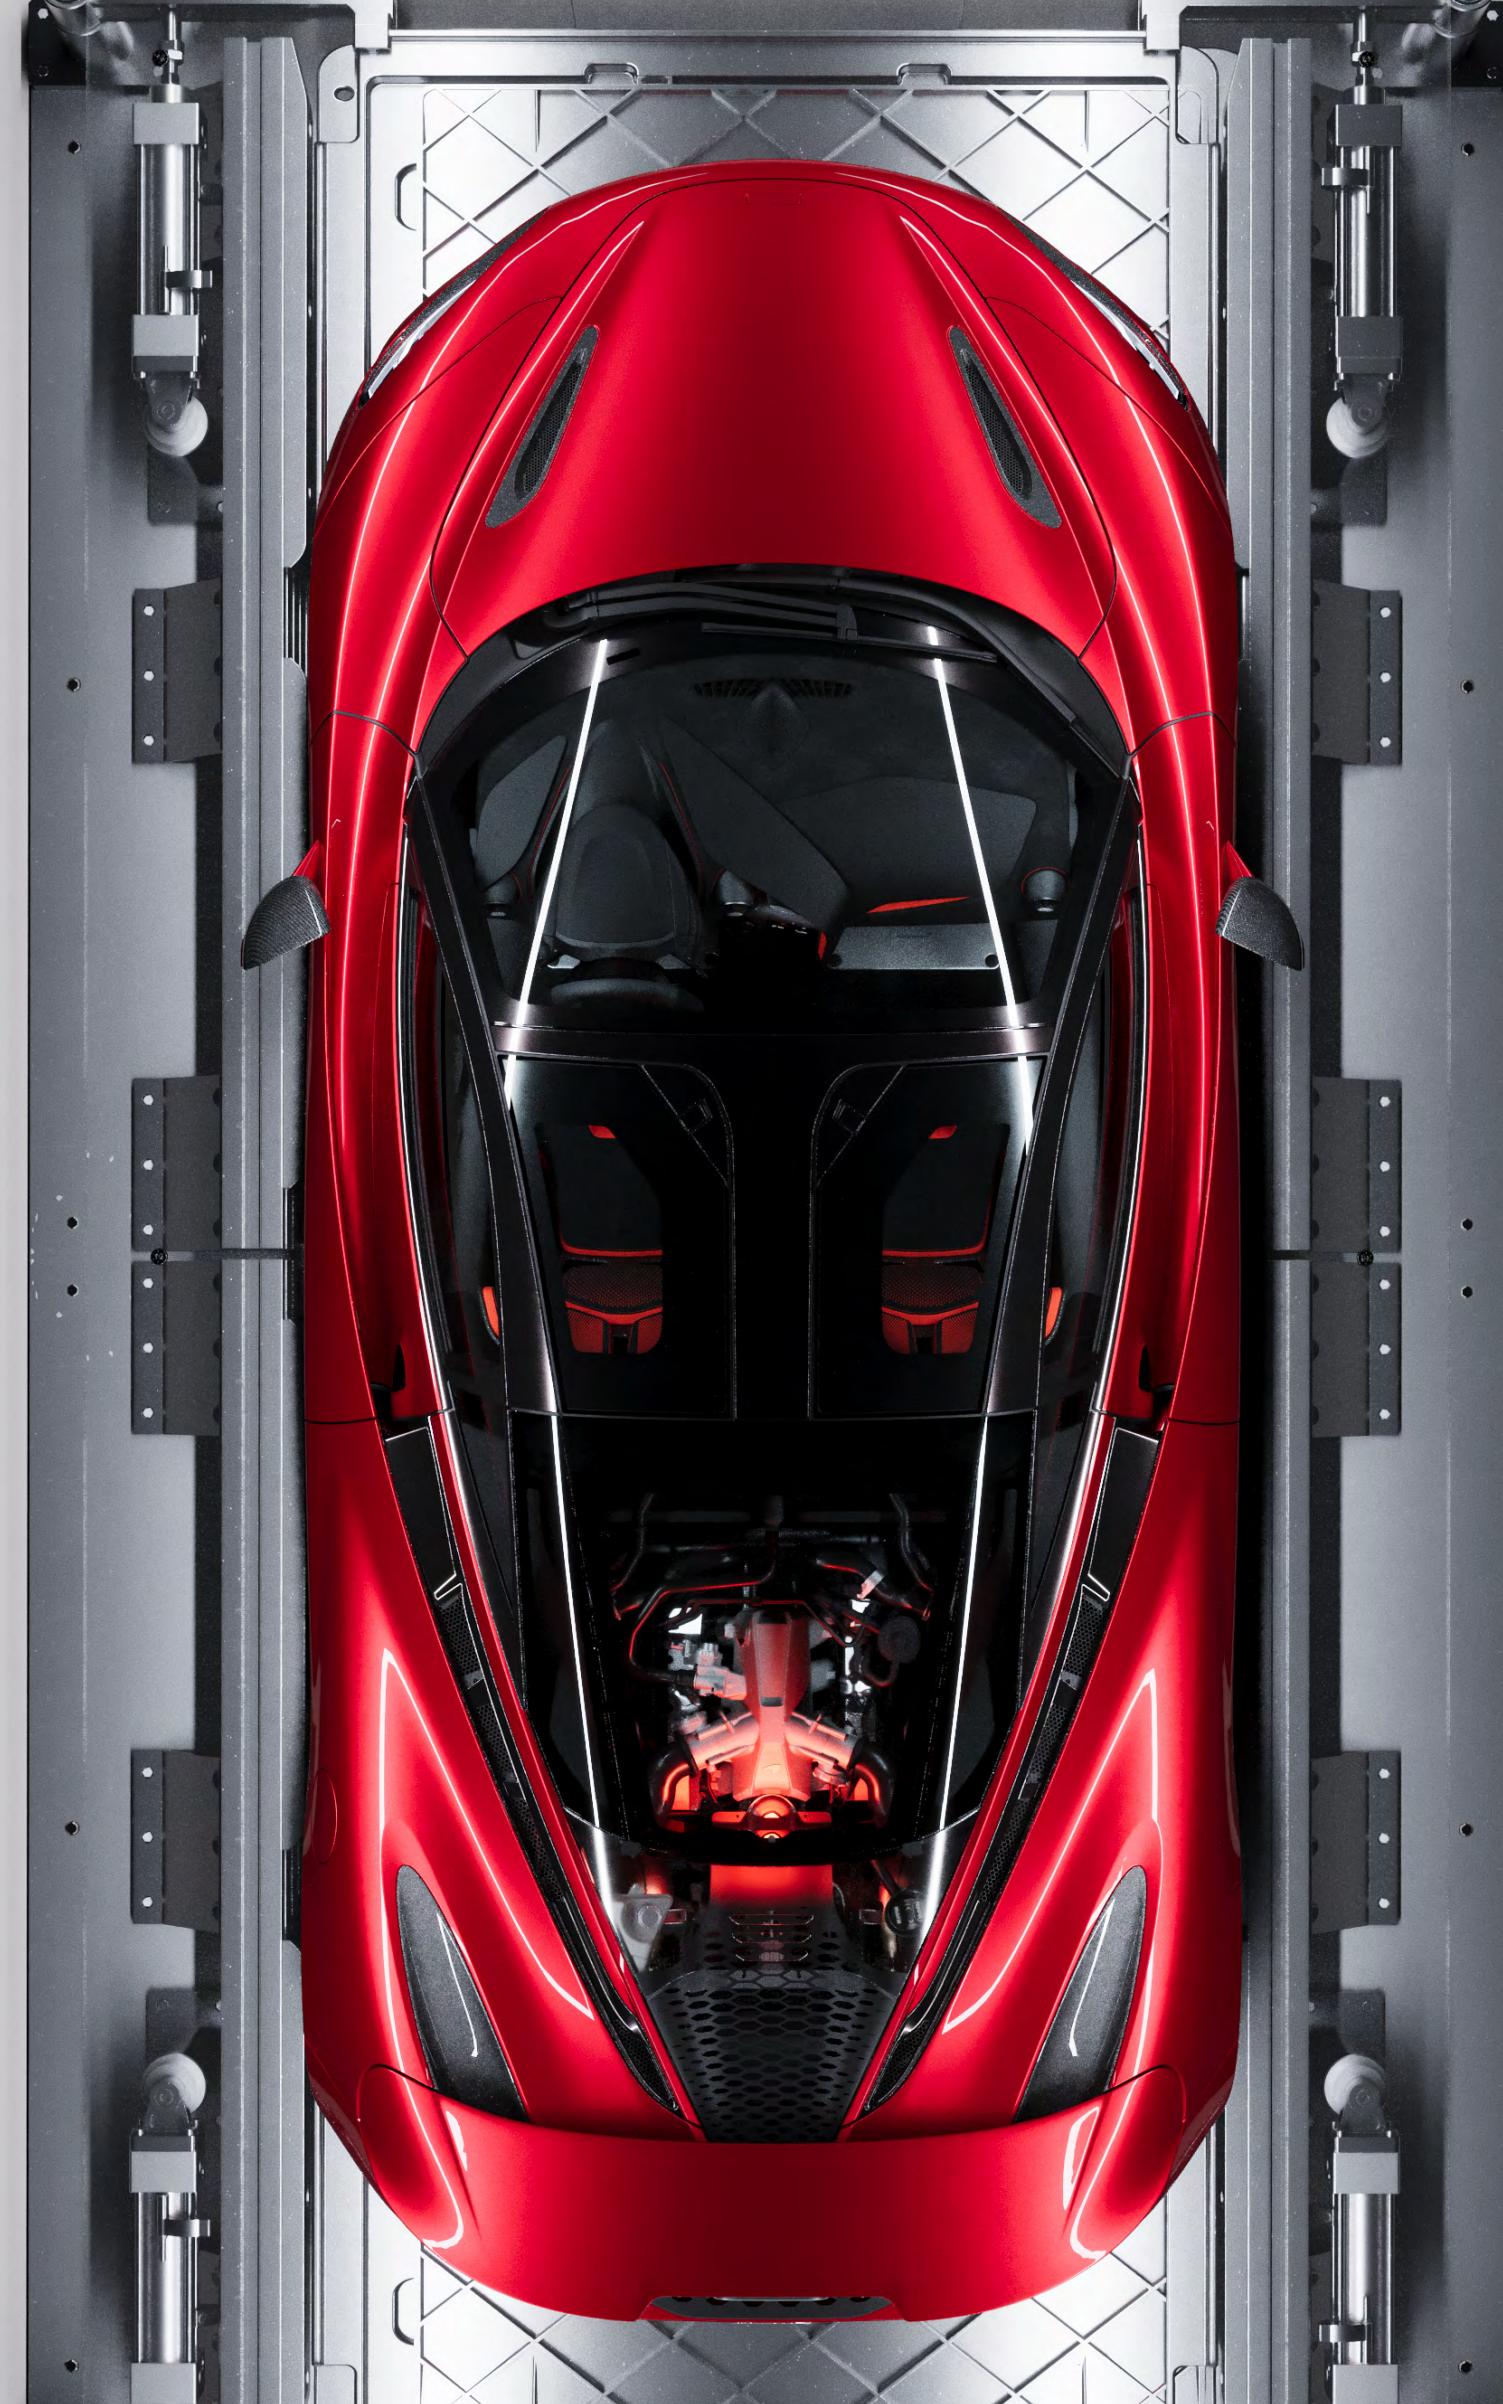

- Anti-Lock Braking System (ABS)
- Traction Control System (TCS)
- Electronic Stability Control (ESC) with Dynamic Mode
- Variable Drift Control
- Launch Control
- Brake Pad Wear Sensors - Front & Rear
- Brake Disc Wipe Technology
- Brake Assist Technology
- Brake Pre-Fill Technology
- Cruise Control
- Electronic Parking Brake
- Intelligent Speed Limiter
- 4 Front & 4 Rear Parking Sensors
- Rear View Camera

SAFETY & SECURITY

- Keyless Entry and Lock
- Keyless Start
- 2 Keys with Unlock / Lock / Front Luggage Open + Mechanical Key Function
- Alarm (Including Doors, Engine Cover, Luggage Compartments)
- Electronic Immobiliser
- Driver & Passenger Airbag
- Driver & Passenger Side Airbags

ACCESSORIES

- Towing Eye (Front)
- Tyre Repair Kit (Tyre Weld)
- Printed Owner's Manual

STANDARD FEATURES

THE DESIGN

A sharper front profile. Reprofiled side apertures. Enhanced cooling, improved aerodynamics. The 750S delivers 5% more downforce than its predecessor.

For next-level balance and driving sensation. Defined by a new Gloss Black aesthetic, the 750S evolves the modern character of the McLaren design language – indicating the multitude of engineering gains beneath its organic, shrink-wrapped skin.

EXTERIOR LIGHTING

- Full Adaptive LED Headlights¹
- Sequential LED Indicators¹

EXTERIOR FEATURES

- Soft Close Doors
- Lightweight Thermal Insulated Windscreen
- Active Rear Spoiler with Air Brake and Automatic Drag Reduction System (DRS)
- Electrically Folding Heated Door Mirrors (with Dip in Reverse Functionality)

EXTERIOR STYLING

- Exhaust Finisher - Natural Steel Finish
- Headlight Surround - Gloss Black
- Front Air Exit - Body Colour
- Door Mirror Casings - Body Colour
- Front Splitter - Gloss Black
- Front Bumper - Full Body Colour
- Rear Bumper - Body Colour Upper with Gloss Black Lower
- Diffuser - Gloss Black
- Hood Air Intakes - Body Colour
- Roof - Gloss Black
- Exterior Door Upper and Hinge Cover - Gloss Black
- Rear Aero Bridge - Gloss Black
- Exterior Window Surrounds - Stealth
- Side Air Intakes - Gloss Black
- Rear Fender Air Intakes - Body Colour
- Active Rear Spoiler - Body Colour
- Active Rear Spoiler Mechanism - Stealth
- Active Rear Spoiler Strut - Stealth
- Vehicle Branding and Badges
- Rear McLaren Badge

STANDARD FEATURES

THE COCKPIT

Dominated by seamless glazing. Defined by absolute driver focus. Overflowing with the reverberations of the ferocious power unit. The 750S offers unprecedented cockpit visibility levels. Dynamics, infotainment and driver controls are within fingertip reach. While our ISG enhancer brings the bellow of the engine roaring into the cabin. Enabling ultimate confidence, comfort and emotion when exploring the car's limits.

INTERIOR FEATURES

- Air Conditioning
- Carbon Fibre Racing Seats¹
- Manual Adjust Comfort Seats
- Power Adjust Steering Column
- Electrochromic Dimming Frameless Rear View Interior Mirror

INTERIOR STYLING

- Full Alcantara® Interior - Carbon Black Alcantara® Seats and Environment
- Tonal Functional Stitching
- Sill Trim - Carbon Black Carpet
- Carpet - Carbon Black
- Black Leather Steering Wheel
- Steering Wheel Clasp and Metal Gearshift Paddles - Satin Black
- Brightwork (Steering Wheel Clasp, Infotainment Surround, DNR surround, Door Appliqué, Air Vent Bezels) - Satin Graphite and Satin Black
- Seat Belts - Black
- Lightweight Thermal Insulated Windscreen

INFOTAINMENT

- McLaren Infotainment System II (MIS II.I)
- 8" Portrait HD Touch Screen Monitor
- Instrument Cluster
- Navigation (inc. 3D cluster display)
- On-Board Memory
- Audio Media Player
- FM Radio
- DAB Radio (SiriusXM for Federal)
- Radio Antenna Integrated into Windscreen
- Bluetooth Telephony
- 2 X USB (Type B and Type C Connectivity)
- User Profiles
- Smartphone Integration (Apple CarPlay)
- McLaren 4-Speaker Audio System

INTERIOR CONTROLS & DISPLAYS

- Luggage open buttons, located on: Facia/IP, Door Card, Key Fob
- 1 x 12V Accessory Sockets
- 2x USB Sockets (1 x USB-B, 1 X USB-C)
- Rain and Headlight Sensor - Automatic Wipe/Lights

EXTERIOR COLOURS

THE FINISH

The 750S is available in a range of striking colours that highlight its seamless organic forms and powerfully dramatic beauty.

A rich palette of Standard, Elite and MSO shades provide you with the freedom to make a dramatic or subtle statement. To reflect your personality. And the incredible performance prowess of the 750S.

WHEELS

EVOLUTION. FROM THE GROUND, UP.

The 750S's updated wheels look stunning. But they play a key part in performance too. By utilising the forging process and ultra-slim spokes, unsprung weight is cut. Contributing to the incredible handling and responses of the car. Available in 10-Spoke and 5-Twin Spoke options across a range of striking new designs and finishes.

INTERIOR OPTIONS

A NEW STYLE BENCHMARK

From how it drives. To how it feels. And how it looks. The 750S takes every tenet of the philosophy behind its predecessor, and pushes further still. The result is an aesthetic character all of its own. One that extends to the tactile and visual experience of the cabin itself. Curated by the McLaren design team, and featuring a host of refreshed colours and materials, two distinctive interior specification routes await...

PERFORMANCE

Dark. Brooding. Uncompromised. The Performance Interior is minimal and beautiful in equal measure. Shaped around driver focus. But alive with subtle touches of colour that bring dynamic personality to every journey. Long-established as the definitive motorsport material, Alcantara® abounds.

PERFORMANCE INTERIORS

- Carbon Black Alcantara® with Jet Black Softgrain Leather
- Carbon Black Alcantara® with Jet Black Softgrain Leather and Ember Orange Alcantara®
- Carbon Black Alcantara® with Jet Black Softgrain Leather and McLaren Orange Alcantara®
- Carbon Black Alcantara® with Jet Black Softgrain Leather and Flux Green Alcantara®
- Carbon Black with Jet Black Softgrain Leather and Teal Alcantara®
- Carbon Black with Jet Black Softgrain Leather and Dove Grey Alcantara®

PERFORMANCE INTERIOR FEATURES

- Alcantara® Seats and Environment with Softgrain Leather Accents

- Contrast Colour Alcantara® Highlights
- Placement Coloured Perforation
- Contrast Decorative Stitching
- Carbon Black Carpet
- Black Leather Steering Wheel
- Sill Trim - Alcantara®
- Steering Wheel Clasp and Extended Metal Gearshift Paddles - Brushed Dark Titanium
- Brightwork - Brushed Dark Titanium (Steering Wheel Clasp, Infotainment Surround, DNR surround, Door Appliqué, Air Vent Bezels)
- 12-Colour Interior Ambient Lighting
- Engine Bay Lighting

PERFORMANCE INTERIOR OPTIONS

- Contrast Stitching (Porcelain, McLaren Orange, Bright Red, Flux Green, Mantis Green)¹
- Embossed Logo on Armrests
- Steering Wheel Clasp and Extended Gearshift Paddles - Satin Carbon Fibre
- Steering Wheel Clasp, Steering Wheel Upper and Extended Gearshift Paddles - Satin Carbon Fibre
- Carbon Fibre Interior Pack (Air Vents, Cluster Screen Surround, Window Switch Surrounds, Door Appliqué)

TECHLUX

Effortless elegance. Rich materials. The TechLux Interior is defined by the unparalleled quality and touch of our luxury softgrain leather. A range of carefully matched colour options complement the base Jet Black. While selective use of matching Alcantara® brings a layered tactility to the cockpit.

TECHLUX FEATURES

- Jet Black Softgrain Leather and Carbon Black Alcantara® Accents
- Jet Black & Ink Blue Softgrain Leather and Ink Blue Alcantara® Accents
- Jet Black & Harissa Red Softgrain Leather and Harissa Red Alcantara® Accents
- Jet Black & Mojave Tan Softgrain Leather and Mojave Tan Alcantara® Accents

All information subject to change by the manufacturer.

WARRANTY

To reinforce our commitment to enduring quality and confidence-inspiring ownership, the 750S is backed by a comprehensive McLaren warranty, including:

- **3 YEAR UNLIMITED MILEAGE VEHICLE WARRANTY**
- **5 YEAR COSMETIC CORROSION WARRANTY**
- **10 YEAR ANTI-PERFORATION WARRANTY**
- **3 YEAR PAINT WARRANTY**

This is the kind of assurance that allows you to drive your 750S without limits. Safe in the knowledge that it's comprehensively covered by the people who created it.

SERVICING

To keep the 750S performing at its best, it needs to be serviced at a McLaren Retailer every 9,000 miles (15,000 km), or after 12 months if that arrives sooner. For the first 3 years, to further enhance your peace of mind, your car comes with:

- **3 YEARS' INCLUSIVE SERVICING**

Our expert Retailer technicians apply precisely the same meticulous standards when maintaining your 750S as those that first shaped it, here at MPC. So, you can relax knowing your 750S is in the best possible hands.

FEATURE COMPATIBILITY NOTES

- When the Track Brake Upgrade is chosen, only the following Brake Calipers can be selected: 1. Black with Silver Machined McLaren Logo, 2. McLaren Orange with Silver Machined McLaren Logo, 3. Red with Silver Machined McLaren Logo, 4. Liquid Silver with Silver Machined McLaren Logo
- Lightweight Front Badge only available with Gloss Finish Visual Carbon Fibre Hood and not available in conjunction with Black Badge Pack
- Super-Lightweight Carbon Fibre Racing Seats only available with Performance and Full Alcantara® Interiors. Not available with TechLux Interiors (except TechLux Jet Black Softgrain Leather and Carbon Black Alcantara® Accents Interior)
- Sill Trim - Extended Satin Finish Visual Carbon Fibre with McLaren Branding not available in conjunction with the Gloss Finish Visual Carbon Fibre Extended Upper Trim to maintain visual harmony
